The file has been submitted separately in connection with an addl Inspector for B'lore City and is now before the Hon'ble Secy. Relevant extracts from the latter are taken and placed below for reference as also a copy of the G.O sanctioning the reorganisation of the proposed staff of the Department

2 The Committee on Cooperation suggested that 300 societies would form an adequate charge for an Assistant Registrar (Para 196 of the Report). The divisions now proposed by the Registrar will give 462 societies for the Tumkur Dn., 384 societies for Shimoga 338 for Bangalore 333 for Mysore and 309 societies for Hassan Dn with 80 societies of the B'lore city in charge of the Dy Registrar while Tumkur Dn will be the largest with 462 societies Hassan will be the smallest with 309.

3) As regards the Dy Registrar, the present proposals generally follow the original one. The present proposals are that he will be in charge of the 80 societies in B'lore City except the three Central institutions, all the Land mortgage societies, liquidation of all societies, organisation and development of special type of societies, and non-credit side of the movement. According to the G.O he has to be invested with additional powers regarding inspection and appeals. The development of non-credit side of the movement requires special attention of the Department. Proposals are always before for starting Area marketing societies, Handloom weavers societies.

While passing over on Chapter IV of the report of the Committee on Cooperation Govt have dealt with the development

Agriculture Cooperative Societies for marketing Cocoanuts etc. It is for Consideration whether this special type of work ~~could~~ with the powers of inspection applicable will not be sufficient for the Registrar and whether the activities of the Societies in B'lam city to be charge will not prove heavy and ~~regard~~ lead to retard the development of the special side of the movement. The division of the city Societies in his charge will involve the distance of disputes which will have to be ~~sufficiently~~ heavy.

4) In this view it is for Consideration whether the present redistribution of divisions is not disproportionate - vide a very heavy division on three and hand and a very light one on the other. and ~~whether~~ ~~re~~ ~~arrangements~~ ~~changes~~ ~~may be called for~~ Submitted for orders

5) The proposed Tamukan Dn. seems to be too heavy. For a proper proper supervision, better Control & facility to do so are essential. The Registrar may perhaps be requested to revise the jurisdiction Comprised in the

10) Returned with compliments. According to the re-distribution of the adiministrative divisions proposed by me the Tumkur Division which will comprise of Tumkur and Kolar Districts will be the heaviest and will have 456 societies according to the figures as on 30-6-37. This is inevitable as any other re-grouping of Districts is not possible. There is however the great convenience in respect of inter-communication in Tumkur and Kolar Districts where facilities for convenient and quick journeys to places where societies exist are available. Hence this factor has been taken into consideration in

DEPTY LOCAL SELF GOVT
GOVT OF MYSORE

the redistribution proposed. The formation of Hassan Division will have the required number of societies for a Division charge as proposed by the Committee on Co-operation and the Officer in charge of this Division will have sufficient time to develop the movement in these two Malnad Districts. It has also to be observed in this connection that conditions prevailing in the Malnad parts of these Districts makes travelling more difficult than in Tumkur and Kolar Districts and even though the number of societies here is small yet the time taken in supervision, organisation and development of societies ~~here~~ will not be less than in other Maidan Divisions. In this view the Divisions proposad may be kindly approved.

11) As the ~~Assistant~~ Deputy Registrar is proposed to be in charge of Bangalore City societies no additional powers and duties regarding inspections, appeals, wider original jurisdiction with regard to co-operative suits and inspections of Assistant Registrars' Offices need be entrusted to him. As per G.O.No:D.2998-9/C.S. 62-33-2 dated 20-12-1933, the Deputy Registrar and the Registrar have to inspect 150 societies between them and the class of societies to be inspected by these Officers have been detailed in G.O.No:D.9293-4/C.S.4-30-6 dated 1-4-34. The Deputy Registrar who will be placed in charge of Bangalore City Societies will have the supervision and inspection of some of the most import-

ant co-operative societies in the State ~~and~~ hence no further addition in jurisdiction in respect of other credit societies in the State has been proposed.

2 As the wider jurisdiction which the Deputy Registrar had in respect of the inspection of societies and Offices will no longer be exercised by him he will not have very heavy work if my proposals are approved.

Sir,

With reference to G.O. No.D.5731-32/C.S.90-36-15 dated 5th/9th February 1938 sanctioning among other matters, an additional appointment of an Assistant Registrar of Co-operative Societies to be in charge of the Kolar Division, I have the honor to request that Government may be pleased to sanction the re-distribution of the charges of the Assistant Registrars as follows: I may state here that my predecessor had also proposed this re-distribution in this office letter No. 8354 dated 15.4.37.

Name of Division.	Jurisdiction.	Head Quarters.
1. Bangalore.	Bangalore District, excepting societies in Bangalore City.	Bangalore.
2. Mysore.	Mysore District.	Mysore.
3. Tumkur.	The Districts of Tumkur and Kolar.	Tumkur.
4. Hassan.	The Districts of Hassan and Kadur.	Hassan.
5. Shimoga.	Shimoga and Chitaldrug Districts.	Shimoga.

The Deputy Registrar may be placed in direct charge

of

of societies in the Bangalore City excepting the three Financing Institutions viz., the Mysore Central Co-operative Bank, the Mysore Central Co-operative Apex Bank, and the Mysore Central Co-operative Land Mortgage Bank and also the Mysore Co-operative Institute, which will continue to be under my direct control. He may also be placed in exclusive charge of (1) the Land Mortgage Co-operative Societies, (2) work relating to the liquidation of societies, (3) organisation and development of special types of societies and (4) Non-credit societies subject to my general control.

As the Assistant Registrar's Office at Tumkur is already located in a Government building, I have proposed that the office may continue there with jurisdiction over the Kolar District instead of creating a new office at Kolar. I will consult the Deputy Commissioner Hassan in the matter of the availability of a Government building for locating the newly created Hassan Division Office and if none is available, a private building on a rent of Rs.25/- or 30/- can easily be arranged.

I have the honor to be,

To

Secretary to the Government of Mysore,
Local Self-Government Department, Bangalore.

Sir,

Adverting to the discussions I had with the Second Member of Council in his Chambers on the 18th March 1938 regarding the allotment of work and powers to be delegated to the Deputy Registrar of Co-operative Societies, I have the honour to submit the following revised proposals in this respect, for the consideration of Government:-

1. Work to be entrusted to the Deputy Registrar.-

(a) Subject to the general control of the Registrar, the Deputy Registrar, will be placed in exclusive charge of (i) the Land Mortgage Scheme in the State, inclusive of the organisation, Development and Inspection of the Land Mortgage Co-operative Societies. (The Central Co-operative Land Mortgage Bank will however, be under the direct control of the Registrar) and (ii) the work relating to the organisation and development of new types of non-credit societies.

(b) The Deputy Registrar will act as the Technical Assistant to the Registrar of Co-operative Societies in matters relating to higher forms of Co-operation and Co-operative Finance.

(c) The Deputy Registrar will as hitherto undertake the inspection of societies (as laid down in Government Order No. D. 9293-4/C.S.4-30-6 dated 1-4-31 and G.O.No.D.2956-7/C.S. 61-33-2 dated 19-12-33) that may be allotted to him by the Registrar.

(d). The Deputy Registrar will be authorised to hear and dispose of such disputes and appeals and miscellaneous applications as may be referred to him by the Registrar.

2. Powers to be delegated to the Deputy Registrar.-

In addition to the powers delegated to the Deputy Registrar under Government Notifications Nos.D.2578/C.S.62-33-3 dated 5-10-34 and D.2995/C.S.33-35-3 dated 4th/7th November 1935, the following additional powers may be delegated to the Deputy Registrar:-

(1) Powers to settle such of the disputes on the file of the Registrar as may be referred to him by the Registrar(Section 43(A)).

(2) Powers to dispose of such of the appeals on the decisions of the Assistant Registrars of Co-operative Societies as may be referred to him by the Registrar(Section 43 A(5))

(3) Powers to dispose of Miscellaneous applications referred to him by the Registrar.

(4) Powers to inquire into and dispose of applications under Section 60 of the Mysore Co-operative Societies' Act subject to appeal to the Registrar and consequential powers under Section 64.

(5) Powers to order distraint and sale of produce under Section 66 of the Mysore Co-operative Societies Act.

3. Of the powers referred to above, those coming under (3),(4) and (5) are now being exercised by me initially and the parties concerned have no chance of appeal. If the Deputy Registrar is delegated with original jurisdiction with regard to these applications, then the parties will have a right of appeal to the Registrar, which is desirable.

4. The Deputy Registrar will have no separate office as he will be treated as an additional Assistant to the Registrar in Special Branches of the Department.

I request that early orders of Government may kindly be obtained in the matter
